Since 1973, the Tri-Lakes Women's Club, an all-volunteer, Non-Profit 501(C)(3) Organization, has granted over \$1 million in grants to nonprofit organizations, public service agencies and educational institutions.

100% of all proceeds from fundraising events and activities goes directly to our grants program.

In addition to fundraising endeavors, our 240+ energetic, dedicated members contribute countless hours of community service in a spirit of fun and friendship. For more than 50 years as an organization in the D38 school area, Tri-Lakes Women's Club has been a partner in helping make an impact on our community. Last year, we were honored to receive The Tri-Lakes Chamber of Commerce Nonprofit of the Year Award recognizing our clubs significant service and contributions to the community.

### **Who We Benefit:**

Tri-Lakes Women's Club Community Grants Program has provided well over \$1 million in grants to area nonprofit organizations, public service agencies and educational institutions. The program focuses on smaller organizations that typically do not have the staffing or resources to pursue grants from major granting foundations. These grants fund important and highly impactful services to the community.
